Union Bank of India launched its Go Green Campaign: a step towards sustainability

Mumbai- August 15, 2019: Union Bank of India marked its centenary year celebrations by Going Green and launching series of green initiatives to reduce the carbon foot prints and create a positive impact on the environment. A Go Green campaign was inaugurated on the 73rd Independence Day celebration which included a Green Pledge, floating of an e-Magazine and plantation of trees through all 63 regions across the country.

The event was launched through "ECOTHON" a green march led by Shri Rajkiran Rai G. MD & CEO, Union Bank along with his team from the Corporate Office at Nariman Point to Marine Drive.
