

Union Bank of India Receives Prestigious VMware "Hero for Good" Award 2023

Mumbai, October 17, 2023 - Union Bank of India has achieved yet another pinnacle of recognition and excellence. The Bank was bestowed with the prestigious VMware "Hero for Good" Award 2023 during the VMware Explore event held in Singapore on September 26th, 2023. This distinguished accolade reaffirms Union Bank of India's unwavering commitment to pioneering modern, innovative technology for the greater good and its tireless efforts to promote sustainability for the economy, society, and the environment.

The VMware "Hero for Good" global award is a tribute to Union Bank of India's exemplary contributions to society through its innovative use of technology in creating positive change, and it further solidifies the Bank's position as a leader in the financial industry. This coveted award acknowledges the Bank's unwavering passion and consistent drive for creating a positive impact in alignment with VMware's mission of fostering a better future through technology.

Speaking on the occasion, Shri Nitesh Ranjan, Executive director, Union Bank of India, emphasized the Bank's unwavering dedication to innovation, sustainability, and its mission to create a substantial positive influence on society and the economy. Shri Nitesh further noted that this acknowledgment resonates seamlessly with the Bank's vision and serves as a driving force, inspiring Union Bank of India to persistently advance its technological endeavours towards a brighter future.

Accepting the award on behalf of Union Bank of India, Mr. Anil Kuril, Chief Technology Officer, expressed his gratitude and shared his sentiments regarding this remarkable achievement and reiterated pioneering use of modern technology by the Bank in improving the customer experience and raising awareness and setting industry benchmarks for sustainability.
