

**UNION BANK OF INDIA OBSERVES
INTERNATIONAL DAY OF PERSONS WITH DISABILITIES**

Mumbai- December 03, 2019: Union Bank of India today observed International Day of Persons with Disabilities at its Head Office in Mumbai. As an extension of its equal opportunity policy, this year **Union Bank of India** carried out activities to spread awareness among all employees about the difficulties faced by persons with disabilities in their day-to-day life, and the support that must be extended to make the workplace accessible and inclusive.

A pop-quiz on disability related issues and solutions was rolled out for employees while they reported to work today, and an ‘*experience counter*’ was set up to popularize various assistive tools. Assistive technologies like JAWS, and TalkBack were on display along with accessible sports equipment and games such as Braille playing cards, special chess boards and ringing cricket balls.

Union Bank of India also conducted a pan-India online quiz to create awareness and garner support for the cause.
