1. Introduction

Keeping in view the technological progress in payment and settlement systems and the qualitative changes in operational systems and processes that have been undertaken by a number of banks, the Reserve Bank of India had, with effect from 1st November 2004, withdrawn its earlier instructions to commercial banks on (i) Immediate Credit of local/outstation cheques, (ii) Time Frame for Collection of Local / Outstation Instruments and (iii) Interest Payment for Delayed Collection. The withdrawal of these mandatory guidelines was expected to enable market forces of competition to come into play to improve efficiencies in collection of cheques and other instruments. This collection policy of the Bank is a reflection of our on-going efforts to provide better service to our customers and set higher standards for performance. The policy is based on principles of transparency and fairness in the treatment of customers. The bank is committed to increased use of technology to provide quick collection services to its customers. This policy document covers the following aspects:

- Collection of cheques and other instruments payable locally, at centers within India and abroad.
- Our commitment regarding time norms for collection of instruments.
- Policy on payment of interest in cases where the bank fails to meet time norms for realization of proceeds of outstation instruments.
- Our policy on dealing with collection instruments lost in transit.
- Our Policy on dishonour of cheques

2. Arrangements for Collection:

2.1 (a) Local Cheques

All cheques and other Negotiable Instruments payable locally would be presented through the clearing system prevailing at the centre. Cheques deposited at branch counters and in collection boxes within the branch premises before the specified cut-off time will be presented for clearing on the same day. Cheques deposited after the cut-off time and in collection boxes outside the branch premises including off-site ATMs will be presented in the next clearing cycle. As a policy, bank would give credit to the customer account on the same day clearing settlement takes place. Withdrawal of amounts so credited would be permitted as per the cheque return schedule of the clearing house.
2.1 (b). Non-CTS Cheques.
Non-CTS cheques will be presented in the clearing house at the prescribed intervals which is presently once in week on each Monday or as decided by RBI, from time to time. In certain categories of cheques, (subject to amendments in guidelines) or instruments demanded by the correspondent Bank or image quality assessment (IQA) failure will be presented in physical form to the drawee Bank.

2.1. (c). where no clearing house exists
Bank branches situated at centers which are not members of any CTS Grid or where no clearing house exists, would present local cheques on drawee banks across the counter and it would be the bank’s endeavor to credit the proceeds at the earliest but not later than 3rd working day from the date of deposit by customer.

2.2 Outstation Cheques
For cheques drawn on bank’s own branches at outstation centers, same day credit will be provided to the customers through our intersol transfer system.

Cheques drawn on other banks at outstation centres will normally be collected through bank’s branches at those centres. Where the bank does not have a branch of its own, the instrument would be directly sent for collection to the drawee bank or collected through a correspondent bank.

2.3 Cheques payable in Foreign Countries
Cheques payable at foreign centers where the bank has branch operations (or banking operations through a subsidiary etc.) will be collected through that office. The services of correspondent banks will be utilised in country/centers where the correspondent has presence. Cheques drawn on foreign banks at centers where the bank or its correspondents do not have direct presence will be sent direct to the drawee bank with instructions to credit proceeds to the respective Nostro Account of the bank maintained with one of the correspondent banks.

2.4 Immediate Credit of Local / Outstation Cheques / Instruments
Branches / extension counters of the bank will consider providing immediate credit for outstation cheques / instruments up to the aggregate value of Rs.15,000/- tendered for collection by individual account holders subject to satisfactory conduct of such accounts for a period of 6-12 months. Immediate credit will be provided against such collection instruments at the specific request of the customer or as per prior arrangement. The facility of immediate credit would also be made available in respect of local cheques at centres where no formal clearing house exists.

The facility of immediate credit will be offered on Savings Bank / Current / Cash Credit Accounts of the customers. For extending this facility there will not be any separate stipulation of minimum balance in the account.
Under this policy, prepaid instruments like Demand Drafts, Interest/Dividend warrants shall be treated on par with cheques.

In the event of dishonor of cheque against which immediate credit was provided, interest shall be recoverable from the customer for the period the bank remained out of funds at the rate applicable for overdraft limits sanctioned for individual customers.

For the purpose of this Policy, a satisfactorily conducted account shall be the one;

The facility of immediate credit would not be applicable to cheques collected under speed clearing arrangements.

2.5. **Purchase of local/outstation cheques**

Bank would give credit to the party upon realization of proceeds in the bank’s Nostro Account with the correspondent bank after taking into account cooling periods as applicable to the countries concerned.

Country/location specific norms wherever stipulated will be specified for foreign currency instruments and made known to the customers at the point in time of accepting instruments in collection.

The above time norms are applicable irrespective of whether cheques/instruments are drawn on the bank’s own branches or branches of other banks.
