TO ALL THE BRANCHES / OFFICES

**Subject : ASSIGNING BSR- OCCUPATION / INDUSTRY CODE IN CREDIT SANCTION INTIMATION
[CSI]**

HIGHLIGHTS

Branches to ensure assigning of correct BSR- Occupation / Industry Code in the system

1. As per existing system, 21 digit CIS Code is assigned to all the borrowal accounts by the Sanctioning division / office, which inter alia include the activity code of the borrower. Further, Branches while opening the borrowal accounts in the system assign Occupation /Industry code. It has been observed that branches some times assign wrong Occupation /Industry Code in the system and there is no correlation between the activity code assigned by the Sanctioning division / office with that of the Occupation / Industry code entered by the branches at the time of opening the borrowal account in the system. As a result, the Basic Statistical Return [BSR] -1 could not be generated in the system.
2. In this regard, it has been decided to incorporate BSR - Occupation /Industry Code in the CSI communicated to the branches by the Sanctioning Authority and the branches should ensure that correct Occupation /Industry Code is invariably furnished in the CSI in the system.
3. In respect of Credit proposals processed through RAM, a provision has been made for entering the BSR Industry code while appraising the proposal. The CSI generated through RAM package shall also contain the BSR - Occupation /Industry Code.
4. The branches should ensure assigning of correct BSR Occupation /Industry code in respect of proposals which are not processed through RAM.
5. All our Branches and other Offices are advised to note the above for information and guidance. Laxity or casual approach in assigning BSR- Occupation / Industry code would be viewed seriously.

[B.K.DIVAKARA]
GENERAL MANAGER
