

Union Bank of India wins Finnoviti Award 2024

Mumbai - June 19, 2024: Union Bank of India wins the prestigious **Finnoviti Award 2024**, organized by 'Banking Frontiers'. The Bank received accolades for two innovative products: '**Operation Vajra**', a real-time monitoring system for newly opened CASA accounts, based on velocity checks and customer profiles, and a **VR-based learning solution**.

The awards were accepted on behalf of the Bank by Chief Technology Officer Shri. Anil Kuril and General Managers Shri. Tata Venkat Venugopal and Shri. KM Reddy at a glittering ceremony held on June 19, 2024, in Mumbai.

Finnoviti Awards are recognition to the efforts of institutions/organizations in BFSI sector for their Innovative Fintech Solutions in products or process which transforms the respective domain.
