

Union Bank of India cuts Home Loan Interest rate to all time low of 6.40%

Mumbai, 26 October 2021: Union Bank of India today announced reduction in its Home Loan interest rates with minimum rate of Interest now starting at 6.40%. The reduced rate will be effective from 27th October, 2021.

The new rates will be applicable to Customers applying for new loans or those who wish to transfer their existing loans including balance transfers.

Customers will be benefited from this offering during the festive season as we see a rising demand for buying Homes. With this reduced rate of interest, Union Bank of India's Home Loan rate is the most competitive in the Industry.
