

**Union Bank of India organized Investor/Analyst Meet On June 14, 2023.**

**Mumbai 15.06.2023:** Union bank of India conducted an Investor/Analyst Meet on 14<sup>th</sup> June, 2023 at Mumbai. The event was aimed to provide an update on Bank's strategic initiatives, financial performance and to highlight future growth opportunities in the banking sector.

The event brings together key stakeholders, including institutional investors, analysts, and industry experts, to gain deeper insights into Union Bank of India's business strategies, market positioning, and its vision for the future.

During the Investor/Analyst Meet, key discussion points were:

- Overview of Union Bank of India and recent achievements and milestones.
- Published Financial performance of the Bank.
- Discussion on strategic initiatives.
- The roadmap of Digital transformation.

The event was part of Bank's outreach programme to boost Investors' confidence in the organization and build strong relationship with Investor/Analyst Community.
